### Dale's Details by NØPEY

Sorry to miss this meeting, my first absence in many years. But, I'll be back next month for sure. Jim Klassen will take good care of you. We hope to have the first info about our new CW training plan. This seems to be a very popular project and I encourage anyone with that hidden wish to learn Morse code to participate.

We are still searching for program ideas and presenters for the months ahead.

Remember to bring your membership applications with the dues for the new season.

Dale, NØPEY, President
